Income	Your income and the tax you paid from jobs or pensions, any taxable state benefits (including State Pension) received from Department for Work and Pensions (DWP) and any savings or investments. It includes any benefits paid to you by your employer. For more information go to www.gov.uk/income-tax
Deductions	Any tax relief to take account of things like professional subscriptions, expenses associated with your employment for things like tools and special clothing, retirement annuity payments, death and superannuation benefits (if not already given). For more information go to www.gov.uk/income-tax-reliefs
Allowances 1100 8	Most people in the UK get a personal allowance. This is the amount of income you can have before you pay tax. There are other allowances due, for example, for those who are visually impaired. For more information go to www.gov.uk/income-tax-rates
Income Tax rate(s)	The tax you pay depends on the amount of your income once your deductions and allowances have been taken off. You can check the details against the P60s, P45s and P11Ds your employer or pension payer may give you. For more information go to www.gov.uk/income-tax-rates
